

Guardian Angels

By participating in our *Guardian Angels* program, your tax deductible contribution will help underwrite the costs we incur while caring for our shelter animals as we prepare them for their forever homes. This includes food, veterinarian exams, vaccinations, flea treatments, microchips, ongoing medical treatment, spays/neuters, and even special treats! Unless you prefer to remain anonymous, we will recognize your contribution in our *Happy Tails* newsletters and on our website.

On behalf of our animals, thank you for your support!
